Town of Canmore
Mayor & Council
and
Canmore Public Art Committee
902- 7 Avenue
Canmore, AB T1W 3K1

Dear Mayor, Councilor's and Public Art Committee Members:

Members of the Downtown Canmore Business Revitalization Zone would like to submit our support of the Miner's statue art initiative. At our latest general meeting, we were pleased to hear a presentation and viewing of the Miner's art. At this presentation, our members had the opportunity to understand the meaning of this piece of work and the importance of this to our community.

We are proud of both the mining heritage and creative arts in Canmore and support the efforts to develop a piece of art that would uphold these values. To demonstrate our support, we commit \$1,000 towards the fundraising efforts to gain the Miner's artwork.

We would also be pleased to see this art hosted in the heart of Canmore, the downtown. The suggested site for the piece, next to the historic Canmore Hotel, is very appropriate due to its history as a regular gathering point for many of the past miner's. We hope you will give this site clear consideration.

We are grateful for the efforts that are being made on this initiative and are pleased to support and be a small part of this endeavor.

Sincerely

Sean Meggs
Chairperson
Downtown Canmore BRZ
